Weldmar Hospicecare Candidate Pack

A message from Caroline Hamblett, Weldmar's CEO

Thank you for your interest in this vacancy at Weldmar Hospicecare. Weldmar's vision is that all adults in Dorset who have a life limiting illness are able to access the palliative care services they need, when and where they need them. To achieve this, we need great people in our team, whether that is a nurse administering care to a patient, a maintenance engineer ensuring our buildings and equipment are in tip top condition, or a charity shop assistant providing excellent customer service.

As a local charity, Weldmar has evolved over the years, ever since the doors of our Inpatient Unit first opened in 1994. We are very proud that we continue to develop our services to meet the needs of the local community in Dorset. Most recently this has included developing groundbreaking new sessions for the wellbeing of patients and their loved ones, the introduction of our hospice at home service which continues to grow, and our 24 hour telephone advice line.

Although we are a local charity, we are in a strong financial position thanks to the ongoing support of the local community. We have also started investing in refurbishing our charity shops, which provide a solid source of income.

As you will discover within this pack, we are a professional, friendly, Values based organisation. Our four Core Values are to be Welcoming, Caring, and Adaptable, and have Integrity at all times. Staff members and volunteers alike have the opportunity to be heard, as we strongly believe that every person makes a difference. You will also discover the importance that we place on education and development for staff in all areas of the charity.

I wish you all the very best with your application.

About Weldmar Hospicecare

Weldmar Hospicecare is an independent local charity that cares for people living with a life limiting illness, such as cancer, heart disease, or motor neurone disease. We also support the loved ones of our patients. Our individually tailored care – where we focus on the person, not just their symptoms and illness – takes place in patients' own homes, in community hospitals and care homes, and at our Inpatient Unit in Dorchester.

Weldmar supports more than two thousand people across the north, south, and west of Dorset each year. All our care is provided free of charge. We help people live as good a life as possible when their illness cannot be cured.

Our team of staff includes specialist nurses, doctors, physiotherapists and occupational therapists, counsellors, chefs, maintenance engineers, complementary therapists, retail professionals, and experts in fundraising, marketing, finance, human resources and more. We are supported by a number of dedicated volunteers in many aspects of our work.

As an independent charity, we rely on donations, fundraising events and our charity shops to fund our work.

We have been providing our care for the people of Dorset since 1994.

Our Vision

All people in Dorset living with a life limiting illness being able to access the palliative care services they need, when and where they need them.

Our Mission

- To provide the highest quality care for patients living with a life limiting illness.
- To offer support to families and others affected by the patient's illness.
- To be an active and constructive partner in the health and social care community in Dorset.
- To provide our services free of charge.
- To provide excellent working conditions and development opportunities for our staff and volunteers.

Our Values

- We **care** for the people we support, who support us, each other and ourselves.
- We act with **integrity** by building relationships based on being honest and fair with open communication.
- We are warm and **welcoming** to everyone.
- We are **adaptable,** always seeking ways to improve and develop as a charity and as individuals.

Income generation

As a local charity, Weldmar Hospicecare is well supported by the communities that it serves across Dorset. Just 21% of our funding is provided by the NHS, and we must raise £26,000 every day to keep our services going.

Fundraising

We have a dedicated fundraising team that supports individuals who want to hold fundraising events, take on a challenge, or simply make a donation. One in three people that we care for is directly as a result of gifts left to Weldmar in wills, and we have our own Make A Will Month every October. We have the facility for supporters to write a free will.

We organise our own fundraising events throughout the year, including Music By The Lake in Dorchester, our Summer Fete, which is held at our Inpatient Unit, and an annual Overseas Challenge. Our community of supporters raise funds through their own sponsored events – everything from bake sales to quizzes to opening up their gardens – or by taking part in challenges such as the London Marathon.

We encourage people to support us on a regular basis by making an affordable donation, or by playing Your Hospice Lottery in support of Weldmar. There are also ways that people can remember a loved one with a gift, such as purchasing a leaf on our Memory Tree installation at our Inpatient Unit.

Retail

We have a chain of busy charity shops across the county, as well as larger outlets that sell furniture. We also sell pre-loved items on eBay, and our own range of greetings cards, Christmas cards, calendars and diaries on our own website and in our shops. We are currently rolling out a refurbishment programme for our retail sites, to create a more modern shopping environment for customers, staff, and volunteers.
