Why do it for Weldmar?

Organising a World Cup sweepstake is fun and straightforward, and can make a difference for local families experiencing life limiting illness.

If ten workplaces took part at £10 per person, with the proceeds being split between the winner and Weldmar, it would raise £2,400. This would be enough to pay for support from our Specialist Hospice at Home for a patient throughout their journey, and benefit from a series of complementary treatments to ease symptoms, pain, and anxiety.
